New Member Sponsored by: _____

Become Actively Involved!

To keep Malden Anglers' an organization we can be proud of, each member is expected to complete a minimum of four hours of club work each year. Failure to complete this work will result in a non-participation assessment attached to your dues for next year. There are two workdays scheduled for this year. Please indicate which workday you will attend:

- March 25 September 23

There are several committees where you can help the organization. Your ideas and expertise will help Malden Anglers' continue to grow and be successful. Please indicate a committee in which you would like to participate. If you do not make a selection, one will be made for you. Some committees may become over-staffed. In that case, you will be assigned to an alternate. Please mark your 1st, 2nd, and 3rd choices.
